YOUR BRAND. YOUR DESIGN.

A FULL-SERVICE DIGITAL DESIGN AGENCY

Since opening our Digital Design Agency in 2012, we've had one goal in mind: creating high-quality designs without breaking the bank. We offer a unique set of services, carried out by our dedicated team of experienced designers.

If you're looking for a one-stop Digital Design Agency to help your business or brand identity grow, you've come to the right place. Whatever the vision you have in mind, we're committed to bringing it to life with superior quality and functionality.

From the initial strategy to the final outcome, our team provides guidance and support throughout the entire design process. We'll work closely with you to understand what you want, what your style is and which elements are most important to you.

GRAPHIC DESIGN

At batik creative media, we're free enough to challenge what's expected, and bold enough to conjure up something new.

With our Graphic Design solution, we'll be with you every step of the way to see your vision, from concept to full-blown reality.

LOGO DESIGN

Our team understands how important it is for clients to create a lasting visual impact.

With top-notch Logo Design, we can help position your brand one step ahead of the competition.

DIGITAL BUSINESS CARD PACKAGE

This is one of our most popular client services that we offer. From the initial design concept to the final outcome, our team works tirelessly towards effectively bringing our clients' vision to life.

We utilise cutting edge NFC technology combined with a range of marketing collateral all on one digital business card which eliminates costly printing to position you on the road to success.
